SUPPORT
COALITION

CITY OF
Guelph
Making a Difference

This visual shows the 18 Neighbourhood Groups — established and emerging — on the ancestral and treaty lands of the Mississaugas of the Credit, and the traditional territory of the Anishinaabeg, Haudenosaunee, and Wendat peoples. Flowing through these lands two rivers, now known as the Speed and Eramosa rivers, have nourished life here for generations. The Coalition acknowledges the enduring presence of First Nations, Inuit, and Métis peoples, and honours their ongoing relationships with this unceded land since time immemorial. We are dedicated to nurturing community and connection here for belonging and wellbeing.

We work together as neighbours and partners who care, to equitably connect, build, and celebrate community for belonging and wellbeing

values: community | growing together | love & kindness | courage | integrity | fun
